

Cumman na mBunscol final

On Saturday the 11th of June Killavil girls played the Cumann na mBunscol final in Markievicz Park. We played against Templeboy.

At 11:30 we started warming up with passing the ball to each other. We got our positions and talked about some strategies to use. Cara was playing in goals, Áine and Ríona were playing in backs, Robyn was playing in mid – field and Catriona and Ailish were playing in forwards.

Now it was time to start the match. The referee threw up the ball and Robyn won it but Templeboy tackled and won the ball and scored a goal. Then Cara kicked it out to Robyn and she passed it to Ailish and she passed it back to Robyn and Robyn scored a point. At the end of half time it was 6 – 1.

After our half time break me and Robyn switched so I was playing in mid – field and Robyn was in backs. The referee threw up the ball again and Templeboy won it. Áine tackled them, got the ball and kicked it up to Ailish. Ailish scored a point. Then Catriona scored two goals, but Templeboy was the better team and won 12 – 5.

We were sad that we lost but we came second and tried our best. After, we went back to the school and had pizza and chips.

On Saturday 11th of June the Killavil girls travelled to Markievicz park for the Cumann na mBunscol final for the 2 teacher schools' category, against Templeboy. The players on my team were Catriona Tansey, Áine Brett, Ailish Brett (me), Riona Davey, Cara Davey, & Robyn Mckeen. The subs were Alanna Davey, Maria Tansey & Ciara Brett.

I was in forwards with Cara, Robyn was in midfield, Riona & Áine in backs and Catriona goals. It was a tough game for everyone. About 10 minutes in Mr. Carty put Cara in goals due to a leg injury and put Catriona in forwards with me. At half time Templeboy were winning by a good bit.

During the 2nd half, me and Catriona were in forwards, Riona in midfield, Robyn and Áine in backs and Cara in goal. I scored 3 points and Catriona scored two points. The final score was 12-5 to Templeboy. I was really happy with my performance. We then went up to the stand to receive our medals.

After the match we went back to the school to get pizza and chips. We had a good time messing around.
