

ANITA'S PUPPIES

On Wednesday the 1st of June, Anita and her daughter Kaitlyn brought in their 6 cockapoo puppies. It was a lovely surprise after break time.

There was 5 boys & 1 girl. The only one that had a name was the girl, called Bailey. They were so soft and snuggly, almost like teddies!!! They were so fun to play with.

We got lots of pictures with them and had lots of fun. we really enjoyed the day and had lots of fun.
